

SHOWBUS

This year's **SHOWBUS international**, the **46th event in the series**: a colourful display of over 300 buses and coaches, and up to 50 stalls and a crowd of nearly 5 000.

This year sees **SHOWBUS back** at Donington for the third time, next to the famous race track, East Midlands Airport and nestling between the centres of Nottingham, Derby and Leicester. This central venue attracts entrants from all parts of the country offering what is described as a 40000 square metre tarmac lake of hard standing with separate entrances for visitors and exhibitors. The site is fully catered with ample toilet facilities and easy disabled access.

A major attraction this year is the **Bristol 110th Anniversary**. We are also celebrating **50 years of British Leyland** and extend a warm welcome to any vehicle displaying the BL badge, bus, truck or car. Other special displays are also being planned – details later. Thanks to **Arriva Midlands** there will be souvenir rally plaques for all bus entrants.

SHOWBUS is the world's biggest and best bus and coach display. The added attraction of the huge stallholders' market provides opportunities to buy a diverse selection of bus paraphernalia: models, DVDs, photos, spare parts, tickets, bus stop signs, etc, etc.

The Donington site provides excellent facilities for enthusiasts, exhibitors, their families and the public.

SHOWBUS international welcomes enthusiasts and buses from around the world.

A popular SHOWBUS attraction as ever will be free tours of the area on selected entries. Please let us know if you would like to help on that: an allowance for diesel can be claimed, fuller details on the entry form. Your vehicle must be suitably taxed and insured.

National Express coaches and Trent-Barton skylink services from Nottingham, Derby, Coalville, Leicester and Loughborough serve East Midlands Airport. A connecting shuttle will link to SHOWBUS from the Donington Park entrance across the road from the skylink bus stop provided by the dedicated bus service from the nearby East Midlands Parkway Station which links with trains and Megabus.

Access to Donington is excellent. The site is situated off the East Midlands Airport Junction 23A of the M1.

Please note **dogs are not permitted** on site, but there are a number of local day kennels.

Over the years, one thing stands out above all else at **SHOWBUS** - it is a great day out for friends and families, with plenty to see and do, and that opportunity to meet friends and acquaintances associated with Britain's bus industry from all over the country – and abroad. **'See you at SHOWBUS'** is now a familiar phrase, use it and you're sure of a welcome.

The SHOWBUS Market

Arrangements for entrants with stalls.

All such entrants will park together in a designated area near where other stalls will be located.

Trading from or in front of your entry anywhere else on site is not permitted. There is no restriction on distributing free items from your vehicle. Care must be taken not obscure buses from public view as photographers get very upset.

If you wish to have a stall in the main trade area then normal rates apply and you will need to request the appropriate form from Dominic Spooner at dom@showbus.com, who can also be contacted via the form's return address:

20 Castle Rise, Castle Street, HIGH WYCOMBE. HP13 6FQ
or directly at 24 Cornel House, Osborne Road, WINDSOR. SL4 3SQ
or SMS 07835 289454

We encourage the sale of items of transport interest and the organisers reserve the right to ban the sale of certain items on the day. Some undercover accommodation is available. To avoid mess left in the stall area, stallholders are requested to provide a litter bin by their stall and ensure the area is left clear afterwards.

FEE for 3m frontage £40 (larger stalls must be sighted in the main trade area at commercial rates).

Advance booking fee only £30 for bookings received before July 31st. (Cheques payable to SHOWBUS DIGITAL)
